

Basic formatting

A paragraph with **bold**, *italic*, ***both***, `inline code`, and a [link to example](#).

Lists

- first item
- second item
 - nested item
 - another nested
- third item

1. numbered one
2. numbered two
3. numbered three

Blockquote

Chrome renders this through CDP's `Page.printToPDF`. The second line of the same quote.

Code block

```
static bool wsRecvN(SOCKET sock, unsigned char* buf, size_t n, uint64_t deadline) {  
    size_t off = 0;  
    while (off < n) {  
        int r = recv(sock, (char*)buf + off, (int)(n - off), 0);  
        if (r == 0) return false;  
        off += r;  
    }  
    return true;  
}
```

Heading level 3

Final paragraph after a horizontal rule.
